

COMMUNIQUE

There Is A Solution

I grew up in Brooksville. My childhood was not that bad. I have a sister and two half siblings, a brother and a sister. My half-brother is no longer with us due to this disease. Today I have a relationship with my half-sister thanks to the program of Alcoholics Anonymous.

Growing up was difficult at times for me. I got bullied and picked on in middle school. My parents split up when I was pretty young. I always tried to fit in and felt like I never did, like trying to fit a square peg in a round hole.

My parents have been in the program since I was an infant. I would go to meetings as a child with them if nobody could watch me. I started drinking when I was about 15, and it made me feel taller, better looking, and bulletproof.

I got a DUI when I was 18, and that's when I started my A.A. journey. I was not a "one chip wonder." I continued to drink and continued to get arrested, wreck vehicles, and lose my license. I was emotionally and mentally bankrupt.

I thought growing up in the rooms had helped me, but it only hurt me. I could talk the AA talk and could say the right stuff to people, but I could never walk the walk. I would get little bouts of sobriety here and there to get my parents and judges off my back. However, I could never stay sober for any amount of time. I also couldn't keep a job. Day after day, I woke up, and I just wanted to die. I resented God for waking me up. I was in a really bad state of mind and body. I was sick; I knew there was only one solution for me, and that was AA.

After 15 years of being in and out of the program, hopeless and lost and desperate, I came back to AA on May 4th, 2020. A Power greater than myself has helped me stay sober.

This year, I will celebrate four years of continuous sobriety. I have worked the steps with a very patient, yet straight forward sponsor. Throughout these four years I have all of my kids back at least fifty percent of the time, and I have a great relationship with my parents and with people in the rooms. I have a beautiful and loving wife who is by my side. I'm a successful business owner. I just want to help at least one ...

Our First Founders Day Celebration

On January 13th, 2009, in a regular District 13 business meeting, DCM Sheryl R. brought a motion to co-host a Founder's Day Celebration. The first Founder's Day workshop would be February 2nd.

An entry in February 2009 Intergroup meeting minutes reads: A motion was made to develop a Hernando County Founder's Day in partnership with District, to be observed on June 6th, 2009. Intergroup would contribute \$150. The motion was seconded and passed. A committee will be formed to accomplish this.

This event was to be held at United Methodist Church, 7079 Mariner Blvd. Open to everyone, with a suggested donation of \$3.00. To help keep this celebration free, groups were encouraged to make contributions.

This is an archive entry in History of Hernando County AA:

June 2009 Intergroup holds Hernando County's first Founder's Day Celebration. North Florida Area Delegate Chet P. and Alternate Delegate Cecilia R. are guest speakers. Archives displays and a pasta dinner is part of the celebration.

Communique July 2009 posts a blurb about the event that says Sponsored by Intergroup, District 13, and the Umbrella Group. The district treasurer reports a gain of \$50.60.

Fun Fact: In 2009, the DCM and the Intergroup Chairman had the same last name!

Get in... we're going on a 12-step call!

Our primary purpose is to carry this message to alcoholics who still suffer. The Intergroup Office is looking for volunteers to sign up for our 12-step call list. You can sign up by calling the office, or go to our website: aaahernando.org/12-step

ALL The Promises

Here are the next three promises taken from the [list](#) that the Atlanta Men's Workshop found in the Big Book (they found 147.) Please reference the February 2024 *Communique* for the full list of promises that we will be covering:

Pg	Line	Promises
16	10	...vast amount of fun about it all.
16	15	...need look no further for Utopia.
17	5	...recovered. ...Solved the drink problem. ...There exists... (3+)

pg. 16

There is, however, a **vast amount of fun about it all**. I suppose some would be shocked at our seeming worldliness and levity. But just underneath there is deadly earnestness. Faith has to work twenty-four hours a day in and through us, or we perish.

pg. 16

Most of us feel we **need look no further for Utopia**. We have it with us right here and now. Each day my friend's simple talk in our kitchen multiplies itself in a widening circle of peace on earth and good will to men.

pg. 17

We, of Alcoholics Anonymous, know thousands of men and women who were once just as hopeless as Bill. Nearly all have **recovered**. They have **solved the drink problem**.

We are average Americans. All sections of this country and many of its occupations are represented, as well as many political, economic, social, and religious backgrounds. We are people who normally would not mix. But **there exists** among us a fellowship, a friendliness, and an understanding which is indescribably wonderful. We are like the passengers of a great liner the moment after rescue from shipwreck when camaraderie, joyousness and democracy pervade the vessel from steerage to Captains table. Unlike the feelings of the ship's passengers, however, our joy in escape from disaster does not subside as we go our individual ways. The feeling of having shared in a common peril is one element in the powerful cement which binds us. But that in itself would never have held us together as we are now joined.

Step 5

Admitted to God, to ourselves, and to another human being the exact nature of our wrongs.

Tradition 5 (Short Form)

Each group has but one primary purpose—to carry its message to the alcoholic who still suffers.

subscribe@aahernando.org

Tradition 5 (Long Form)

Each Alcoholics Anonymous group ought to be a spiritual entity having but one primary purpose – that of carrying its message to the alcoholic who still suffers.

DCM Corner

Hello District 13! It's amazing how our fellowship works! As your District Committee Member, I would like to thank all of you for your support! We had an amazing turnout this past Area 14 Assembly. We had 15 votes that tied with another district for the most votes. Way to go District 13!!

Our delegate, Mary A., took our vote to the 74th General Service Conference. The results are in, and a Post Conference workshop is set for June 8, 2024, in Ocala.

We hosted the Saturday night speaker meeting at the assembly. A special shout out to our speaker, Rose E., from our district! Her story had tears and laughter the whole meeting.

One of the main issues that has come to my attention this past month is contributions. It is all about Traditions 4 and 7!! We must remember that each group is autonomous! Each entity does need financial support from all who wish to contribute. All have expenses to provide a specific service for our fellowship. I can only encourage all to contribute to the pie!!

In service,

Mark S.

Meeting In A Box

Are you or do you know of anyone who is unable to regularly attend meetings? Convalescing at home, recovering, or caring for a loved one? Extended stay at assisted living facility or hospital? We have a fully self-contained meeting in a box, portable to take to any location and designed to leave no trace from set up to clean up. Coffee and percolator, cream, sugar, cups, readings, format, and commemorative chips for all who attend.

Contact Dianne B. or Laura L. at accessibilities@aahernando.org

Meeting In A Bag

Now available through the Accessibilities Committee is Meeting in a Bag, also called Mini-Meeting in a Box. If you are planning to visit a member of AA in the hospital, residential center, convalescing at home, or caring for a loved one, and they can't make it to a meeting, simply contact the Accessibilities committee, and take one of these with you. Visiting is great, but sometimes a meeting can be even better. It includes everything needed: format card, readings, and our commemorative chips.

District Service Positions: In Depth

Here's a more comprehensive look at the service positions available for District 13, taken from the A.A. Service Manual and District 13 Structures and Guidelines.

Alternate DCM (pg. S33):

The Alternate DCM assists and participates in District responsibilities and *should be prepared to serve as DCM if the DCM is unable to fulfill his/her responsibilities*. It is suggested elections be held every two years and that GSRs, the alternate DCM and the DCM serve their terms concurrent with the Area Delegate. - Be able to lead a district while respecting the conscience of the district
- Have an email address or other easy way of maintaining contact with GSRs and other members

Some of the alternate DCM's Duties:

- The [alternate] DCM's job is primarily that of two-way communication.

- Regularly keeps in touch with the alternate DCM and the delegate; sends district minutes to the delegate and alternate, and exchanges them with other districts.

- Electronically records District meetings to use, when necessary, to transcribe the minutes.
- Submits a monthly copy of the final minutes to the Archivist.
- Updates and, when requested, provides a current list of district advisory actions.

Archives (Archivist):

This position will be elected by voting members of the district. The Archivist will serve for at least a two (2) year, but not to exceed a six (6) year term. This office does not have a vote at the district level.

Suggested qualifications for the Archivist position include:

- Familiarity with District history.
- Experience with archival and conservation procedures and an understanding of how to handle historical records.
- A good understanding of our primary purpose and AA Traditions, helping to ensure proper privacy and anonymity practices for members whose names appear in collected documents.

If you or someone you know is thinking about suicide, please call 988 (formerly 1-800-273-8255(TALK)). 988 is a 24/7, free, confidential counseling line that connects individuals to a trained specialist in suicide crisis intervention. **One common misconception of the line is that people need to be suicidal to contact 988, yet that is not the case.** Call, text, or chat 988 if you are feeling overwhelmed, upset, or worried about a suicidal loved one, and talk through the steps to take to feel better.

WILL YOU BE THERE?

As you may have noticed lately, there has been a drive for 12th Step call list volunteers. Over the last several months, the number of people who have stepped up and put their name on the list has been disappointing. It occurred to me recently at an intergroup meeting that many folks did not understand what was involved in being on the 12th Step call list.

Our hotline is answered during business hours at the Intergroup office by office volunteers. When the office closes, hotline calls are forwarded to hotline volunteers who receive the calls on their personal phones. When the Intergroup office re-opens, they take over the hotline calls again. This ensures that someone is available to answer that call 24 hours a day, 365 days a year.

I have been a hotline volunteer for about four years. I answer the hotline (from my personal cell phone) from 5PM Monday afternoon until 9AM Tuesday morning. On average I answer about six calls a month.

Most calls are for meeting times and locations. Occasionally someone is looking for help getting to a meeting. Sometimes a caller is looking for someone to talk to. I recently had a caller who wanted to get a Big Book after business hours, and I was able to facilitate that request by placing a few calls.

As a 12th Step call list volunteer, you specify the times you would likely be available to help if we call on you. You can specify if you would be willing to give someone a ride to a meeting, talk to someone on the phone, or possibly be of service in other ways. You are making no guarantees that you will be available, only that you are willing to be contacted. You will only be contacted by another Intergroup volunteer. Your number is NOT given out to callers. If you have agreed that you would be willing to help someone get to a meeting, we would call you and ask if you are available to facilitate that. If you are, then we give you the callers

contact info for you to reach out to them. Please keep in mind, we encourage men with men, women with women, and never go alone. If you are not available when called, a volunteer simply moves on to the next appropriate name on the call list.

Carrying the message is fundamental to our recovery and survival. My personal experience is that this commitment has not been too demanding, but has at times been significantly rewarding. I hope you might feel moved or inspired to become active in our fellowship.

Someone was there for you. Will you be there for another?

Interested in being of service? You can sign up by calling the office at 352-683-4597, email info@aahernando.org, or go to our website: aahernando.org/12-step

67th Florida State Convention

Aug 1-4, 2024 – Hyatt Regency, Jacksonville Riverfront

Dear Friends,

It is with great pleasure and anticipation that I extend a warm welcome to all attendees of the 67th Florida State Convention of Alcoholics Anonymous. This year's convention promises to be a truly remarkable event, filled with inspiration, fellowship, and opportunities for personal growth. From August 1-4, 2024, we will gather at the Hyatt Regency Jacksonville Riverfront in beautiful downtown Jacksonville, Florida, to celebrate the theme of "Be Amazed" and embrace the transformative power of recovery. I am thrilled to serve as the Chair of this convention and look forward to sharing this incredible experience with each and every one of you.

Yours in Service,

Kevin Burkett
