If you or someone you know is thinking about suicide, please call 988 (formerly 1-800-273-8255(TALK)). 988 is a 24/7, free, confidential counseling line that connects individuals to a trained specialist in suicide crisis intervention. **One common misconception of the line is that people need to be suicidal to contact 988, yet that is not the case.** Call, text, or chat 988 if you are feeling overwhelmed, upset, or worried about a suicidal loved one, and talk through the steps to take to feel better.
