SAFETY CARD FOR A.A. GROUPS

The General Service Office has made this optional card available as an A.A. service piece for in-person/online groups that wish to use it. Please feel free to utilize, choose a section(s) or adapt the text to your group's needs.

Tradition Five states: Each group has but one primary purpose — to carry its message to the alcoholic who still suffers.

Any person seeking help with a drinking problem is welcome at this group. No A.A. entity determines an individual's membership in Alcoholics Anonymous. It is this group's conscience that if any person endangers another individual or disrupts the group's efforts to carry A.A.'s message, the group may ask that person to leave the meeting.

This group strives to safeguard the anonymity of A.A. members and attendees; however, keep in mind that anonymity in A.A. is not a cloak for unsafe and illegal behavior. Addressing such behavior and/or contacting the proper authorities when appropriate, does not go against any A.A. Traditions and is meant to ensure the safety of all in attendance.

The short form of Tradition One states: "Our common welfare should come first; personal recovery depends upon A.A. unity." Recognizing the importance of group unity, our group strives to create a safe meeting environment in which alcoholics can focus on achieving sobriety.

Service Material from the General Service Office

Additional Sharing:

- Safety is a topic within A.A. that groups and members can address. Developing workable solutions to help keep meetings safe can be based on the principles of A.A. In discussions about safety, keep the focus on our primary purpose, our common welfare, and placing principles before personalities.
- Predatory behaviors and unwanted sexual advances are in conflict with carrying the A.A. message of recovery and with A.A. principles.
- A.A. does not provide medical advice or detox services; it has no opinion on outside issues, including medication. Medical advice should come from a qualified physician.
- The only requirement for A.A. membership is a desire to stop drinking. Groups and members strive to create a safe environment for the alcoholic who still suffers.
- If safety concerns arise, individuals can speak with a sponsor, members of the group, a trusted friend and/or a professional to address the concern.
- Service entities, such as areas, districts and intergroup/central offices, are available to help provide A.A. services and shared experience. All groups and entities in A.A. are autonomous. There is no government within A.A. and no central authority to control or direct its members, but we do share our experience, strength and hope.

For more information on this topic, see the "A.A. Guidelines on Safety and A.A. Groups" (MG-25) at aa.org.

The 7th Tradition of Alcoholics Anonymous

"Every A.A. group ought to be fully self-supporting, declining outside contributions."

In practice, this means that only A.A. members contribute financially to A.A., ensuring independence from outside influences and keeping the Fellowship focused solely on its primary purpose: helping the alcoholic who still suffers.

We celebrate your sobriety and are grateful for contributions such as yours that help support the services our A. A. store/central office provides to members and groups throughout Hernando County.

Your contribution helps ensure that the A.A. message is available anytime for those who reach out for help.

Some members contribute \$1, \$2, or more for each year of sobriety; others may give a penny or nickel for each day of sobriety.

Whatever the amount, we thank you for your participation in A.A.'s Seventh Tradition of self-support

Contribute

The Seventh Tradition:

“Every AA group ought to be fully self-supporting, declining outside contributions.”

Twelve Concepts for World Service

1. Final responsibility and ultimate authority for A.A. world services should always reside in the collective conscience of our fellowship.
2. The General Service Conference of A.A. has become, for nearly every practical purpose, the active voice and the effective conscience of our whole Society in world affairs.
3. To insure effective leadership, we should endow each element of A.A. - the Conference, the General Service Board and its service corporations, staffs, committees, and executives - with a traditional "Right of Decision".
4. At all responsible levels, we ought to maintain a traditional "Right of Participation", allowing a voting representation in reasonable proportion to the responsibility that each must discharge.
5. Throughout our structure, a traditional "Right of Appeal" ought to prevail, so that minority opinion will be heard and personal grievances receive careful consideration.
6. The Conference recognizes that the chief initiative and active responsibility in most world service matters should be exercised by the trustee members of the Conference acting as the General Service Board.
7. The Charter and Bylaws of the General Service Board are legal instruments, empowering the trustees to manage and conduct world service affairs. The Conference Charter is not a legal document; it relies upon tradition and the A.A. purse for final effectiveness.
8. The trustees are the principal planners and administrators of overall policy and finance. They have custodial oversight of the separately incorporated and constantly active services, exercising this through their ability to elect all the directors of these entities.
9. Good service leadership at all levels is indispensable for our future functioning and safety. Primary world service leadership, once exercised by the founders, must necessarily be assumed by the trustees.
10. Every service responsibility should be matched by an equal service authority, with the scope of such authority well defined.
11. The trustees should always have the best possible committees, corporate service directors, executives, staffs, and consultants. Composition, qualification, induction procedures, and rights and duties will always be matters of serious concern.
12. The Conference shall observe the spirit of A.A. tradition, taking care that it never becomes the seat of perilous wealth or power; that sufficient operating funds and reserve be its prudent financial principle; that it place none of its members in a position of unqualified authority over others; that it reach all important decisions by discussion, vote, and, whenever possible, by substantial unanimity; that its actions never be personally punitive nor an incitement to public controversy; that it never perform acts of government, and that, like the Society it serves, it will always remain democratic in thought and action.

ME and the Boss

“Life is really simple, but we insist on making it complicated.” ~ Confucius

Don't think, don't drink and go to meetings.

Be kind.

Be loving.

Be patient and tolerant.

Be the person that your Higher Power wants you to be.

Avoid mean people.

Do not go to evil places.

Do not do those things which cause guilt and shame.

Happiness is Keeping It Simple in Sobriety.

Happiness is helping someone help themselves.

WE ARE NOT A GLUM LOT

- *“I came to AA for my drinking... and stayed for my thinking.*
- *My best thinking got me here — now I rent better thinking by the hour.*
- *I used to have all the answers. Then they changed the questions.*
- *I'm not saying I'm stubborn... but my defects have tenure.*
- *I finally admitted I was powerless — my coffee still thinks it's in charge.*
- *Before AA, I talked to myself. Now I call it a meeting.*
- *I asked for patience... and got traffic.*
- *My memory isn't what it used to be... but neither is my behavior.*
- *I used to look for happiness at the bottom of a bottle. Turns out it was in the fellowship hall with bad coffee.*

Progress, not perfection... which is good, because perfection called in sick.
